

FUNDING AVAILABLE FOR WOMEN'S LEADERSHIP DEVELOPMENT

Women & Leadership Australia is administering a national initiative to support the development of female leaders across Australia's health and medicine sector.

The initiative is providing women with grants of between \$3,000 and \$7,000 to enable participation in a range of leadership development programs.

The scholarship funding is provided with the specific intent of providing powerful and effective development opportunities for health and medicine sector women; however the funding is strictly limited and has to be allocated prior to the end of this financial year.
